

Daniil Ignatjev

Security-Focused Developer

Estonia | +372 5375 6153 | daniil.ignatjev@gmail.com | [Portfolio](#) | [GitHub](#) | [LinkedIn](#)

ABOUT ME

My name is Daniil, and I'm a Security-Focused Developer. I have experience with OOP, SOLID principles, algorithms, CI/CD, web architecture, security engineering, APIs, and computer hardware. I know how to work in a team and I always find compromises, but I also have my own opinion on project tasks. I love solving different problems and coming up with actual solutions.

SKILLS

Frontend: TypeScript, JavaScript, React, Tailwind CSS, Vite, Vike, Electron

Backend: Node.js, Express
